

# ADDING YOUR QR CODE TO YOUR MOBILE WALLET

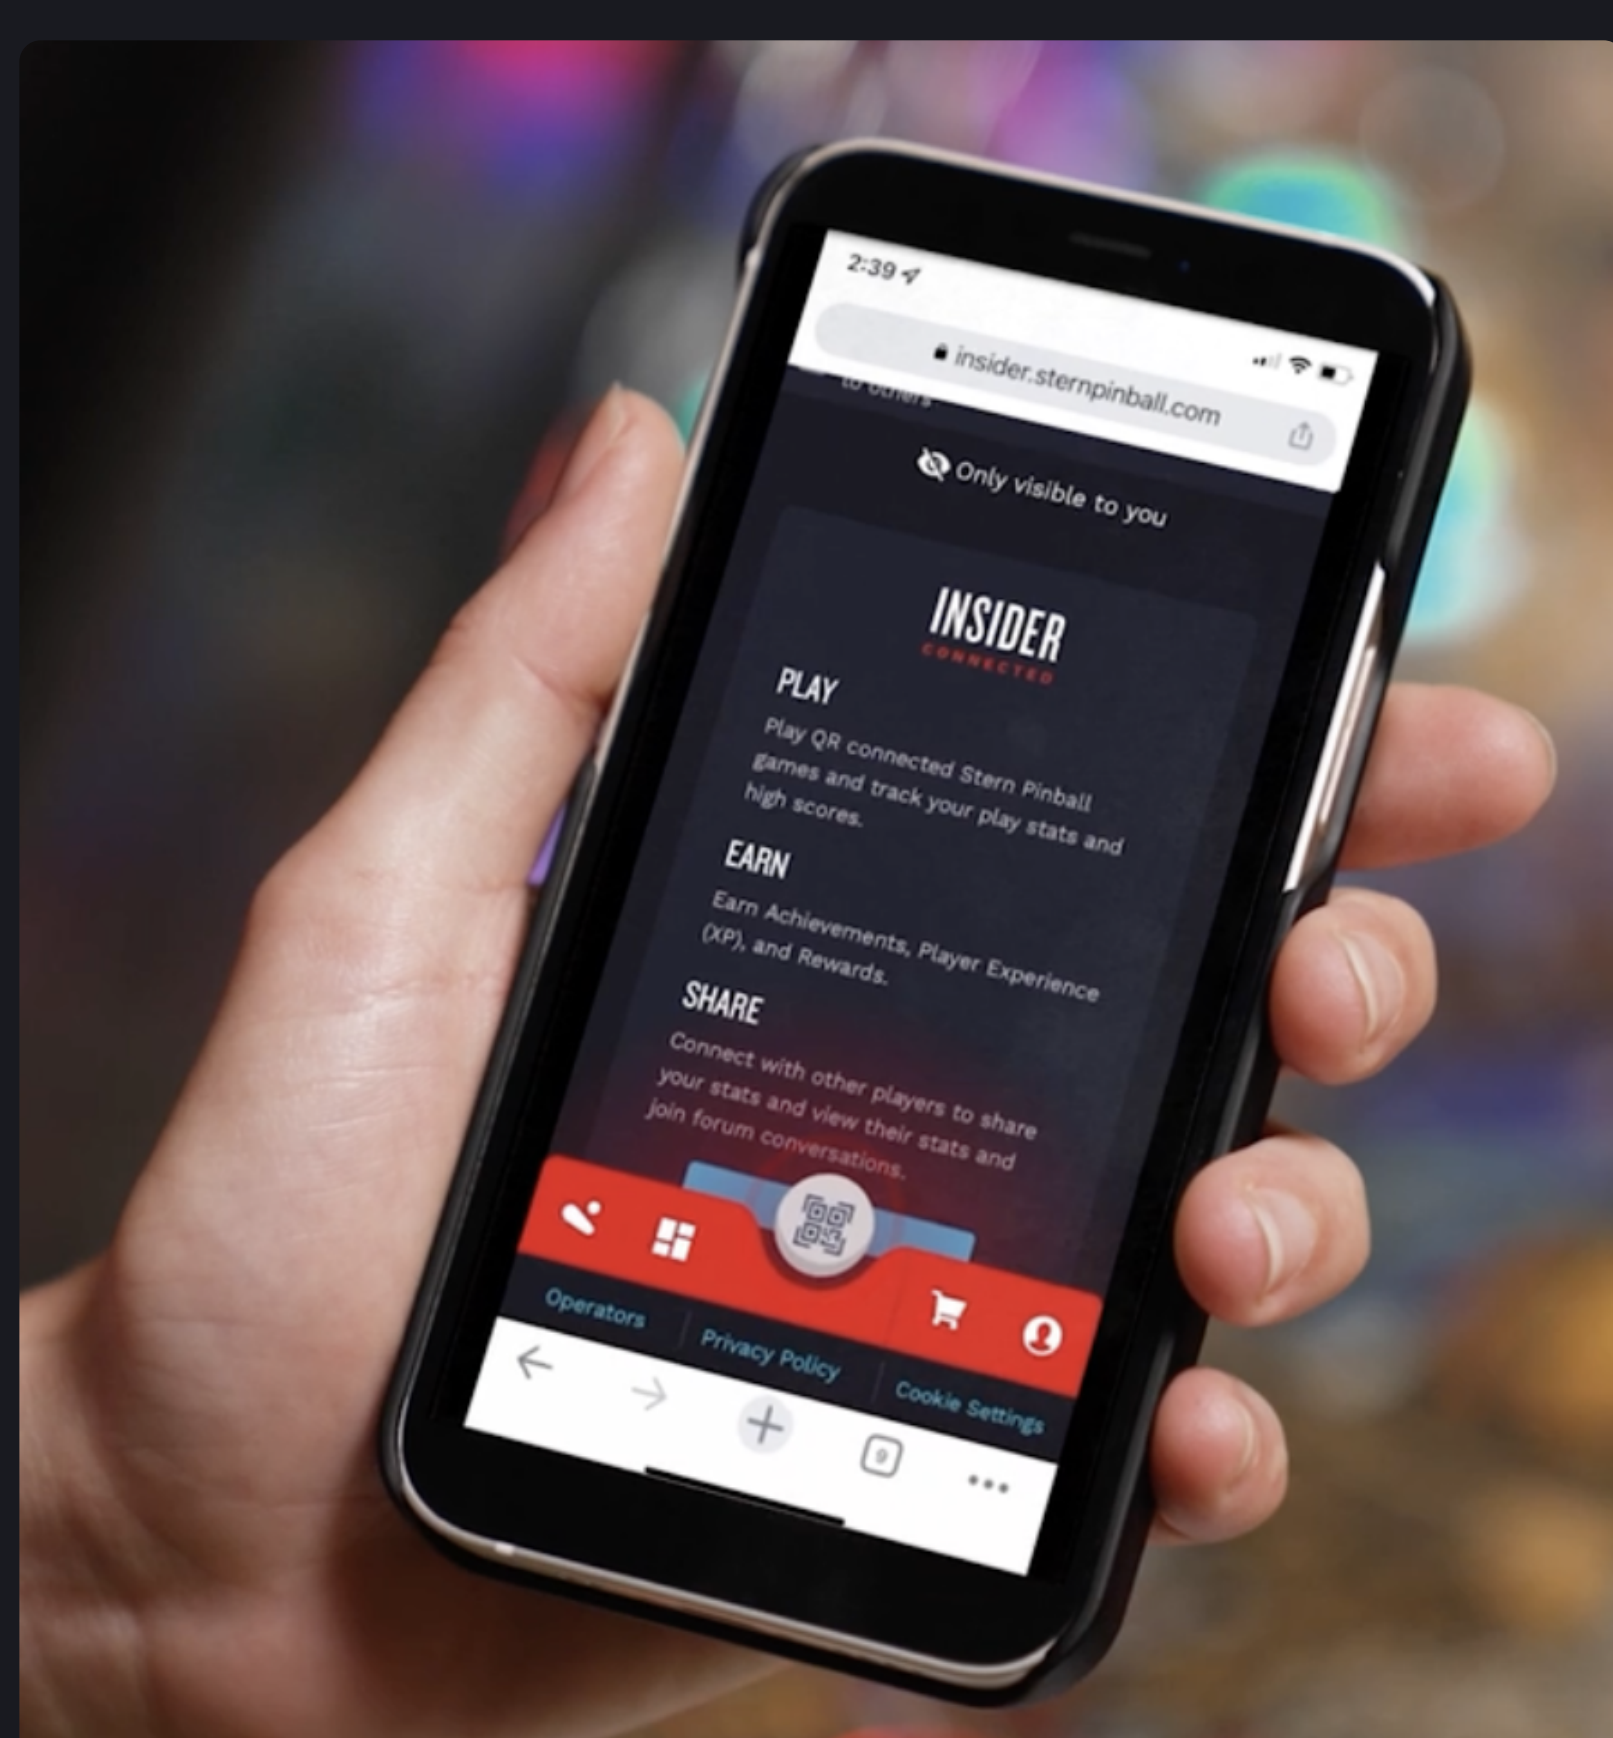

1

**Set up a mobile wallet of your choice.** Apple Wallet is preinstalled on iPhones. Google Wallet *may* be pre-installed on your Android.

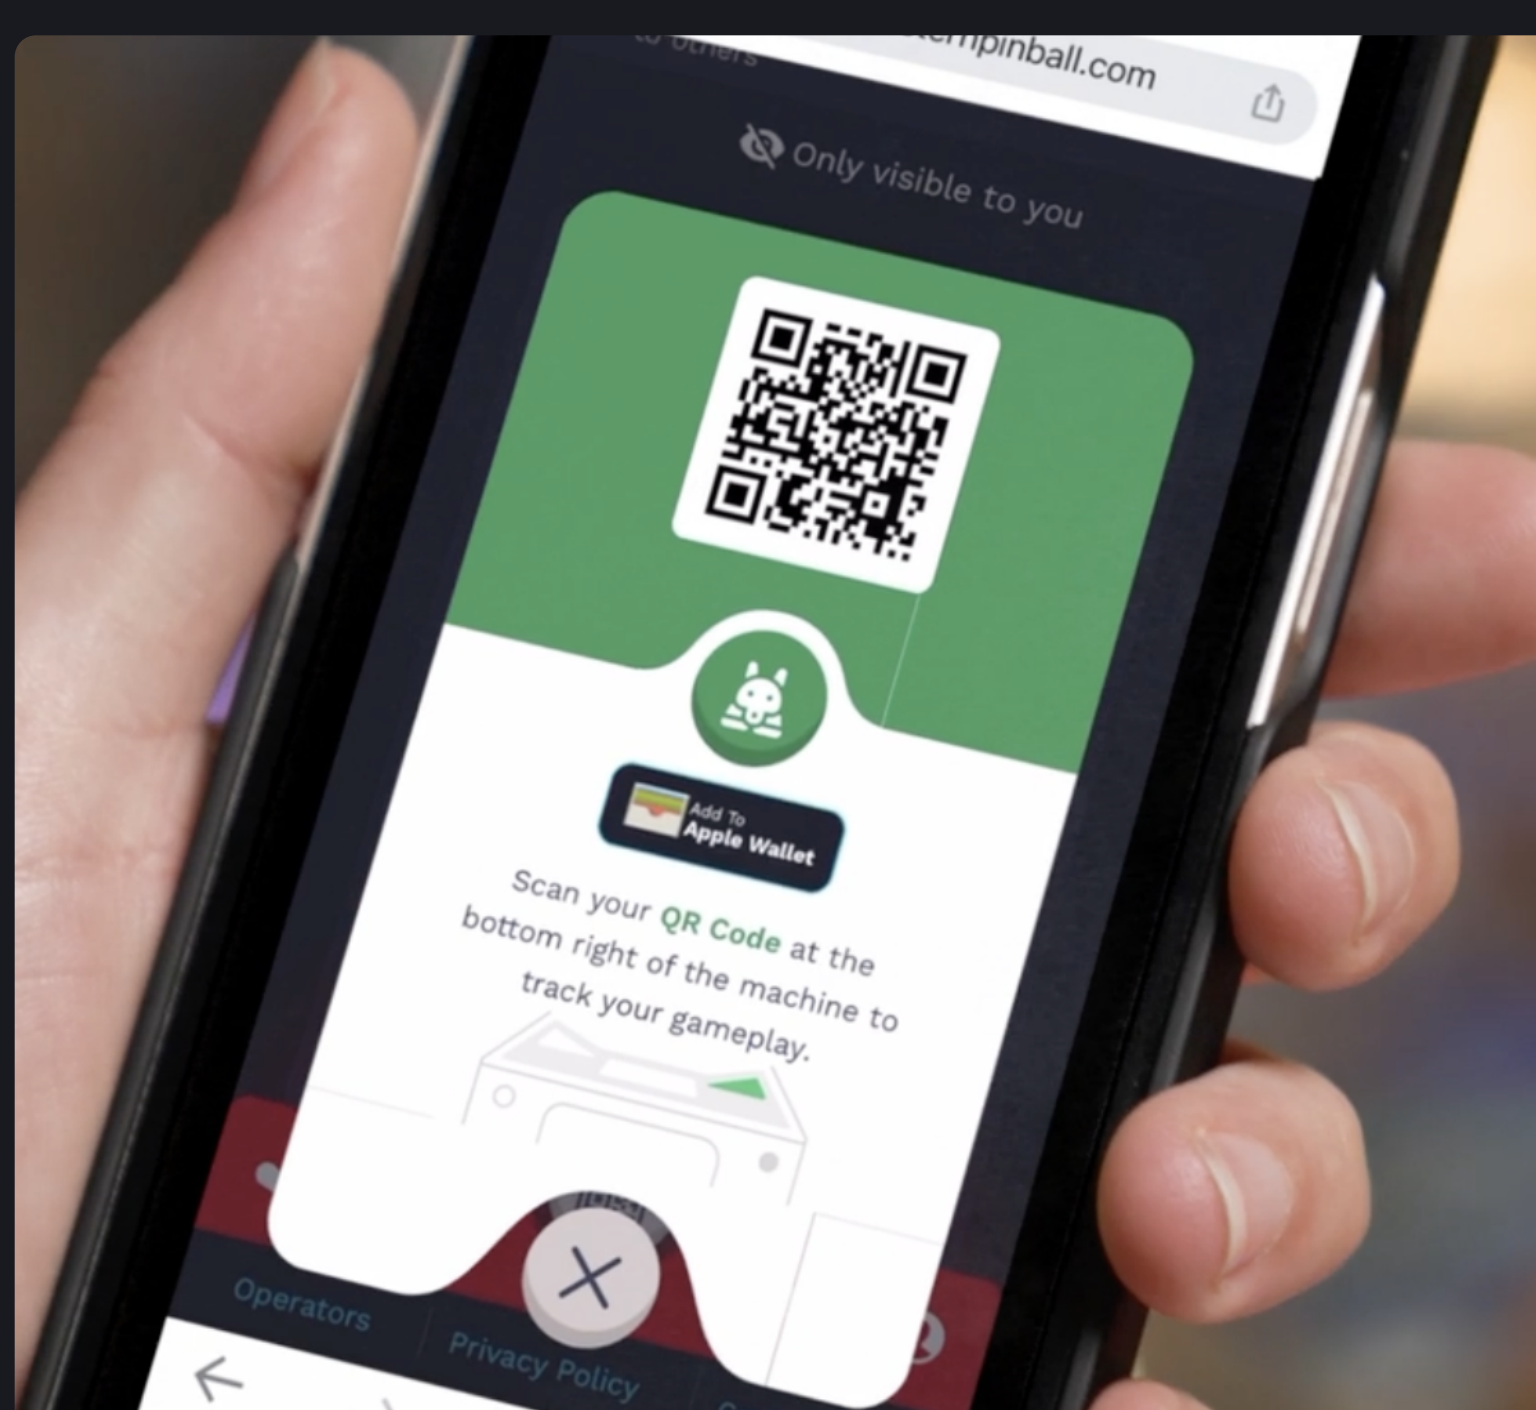

2

**Open your QR Code.** Log in to your Insider Connected account and select the QR code at the bottom center of the screen.

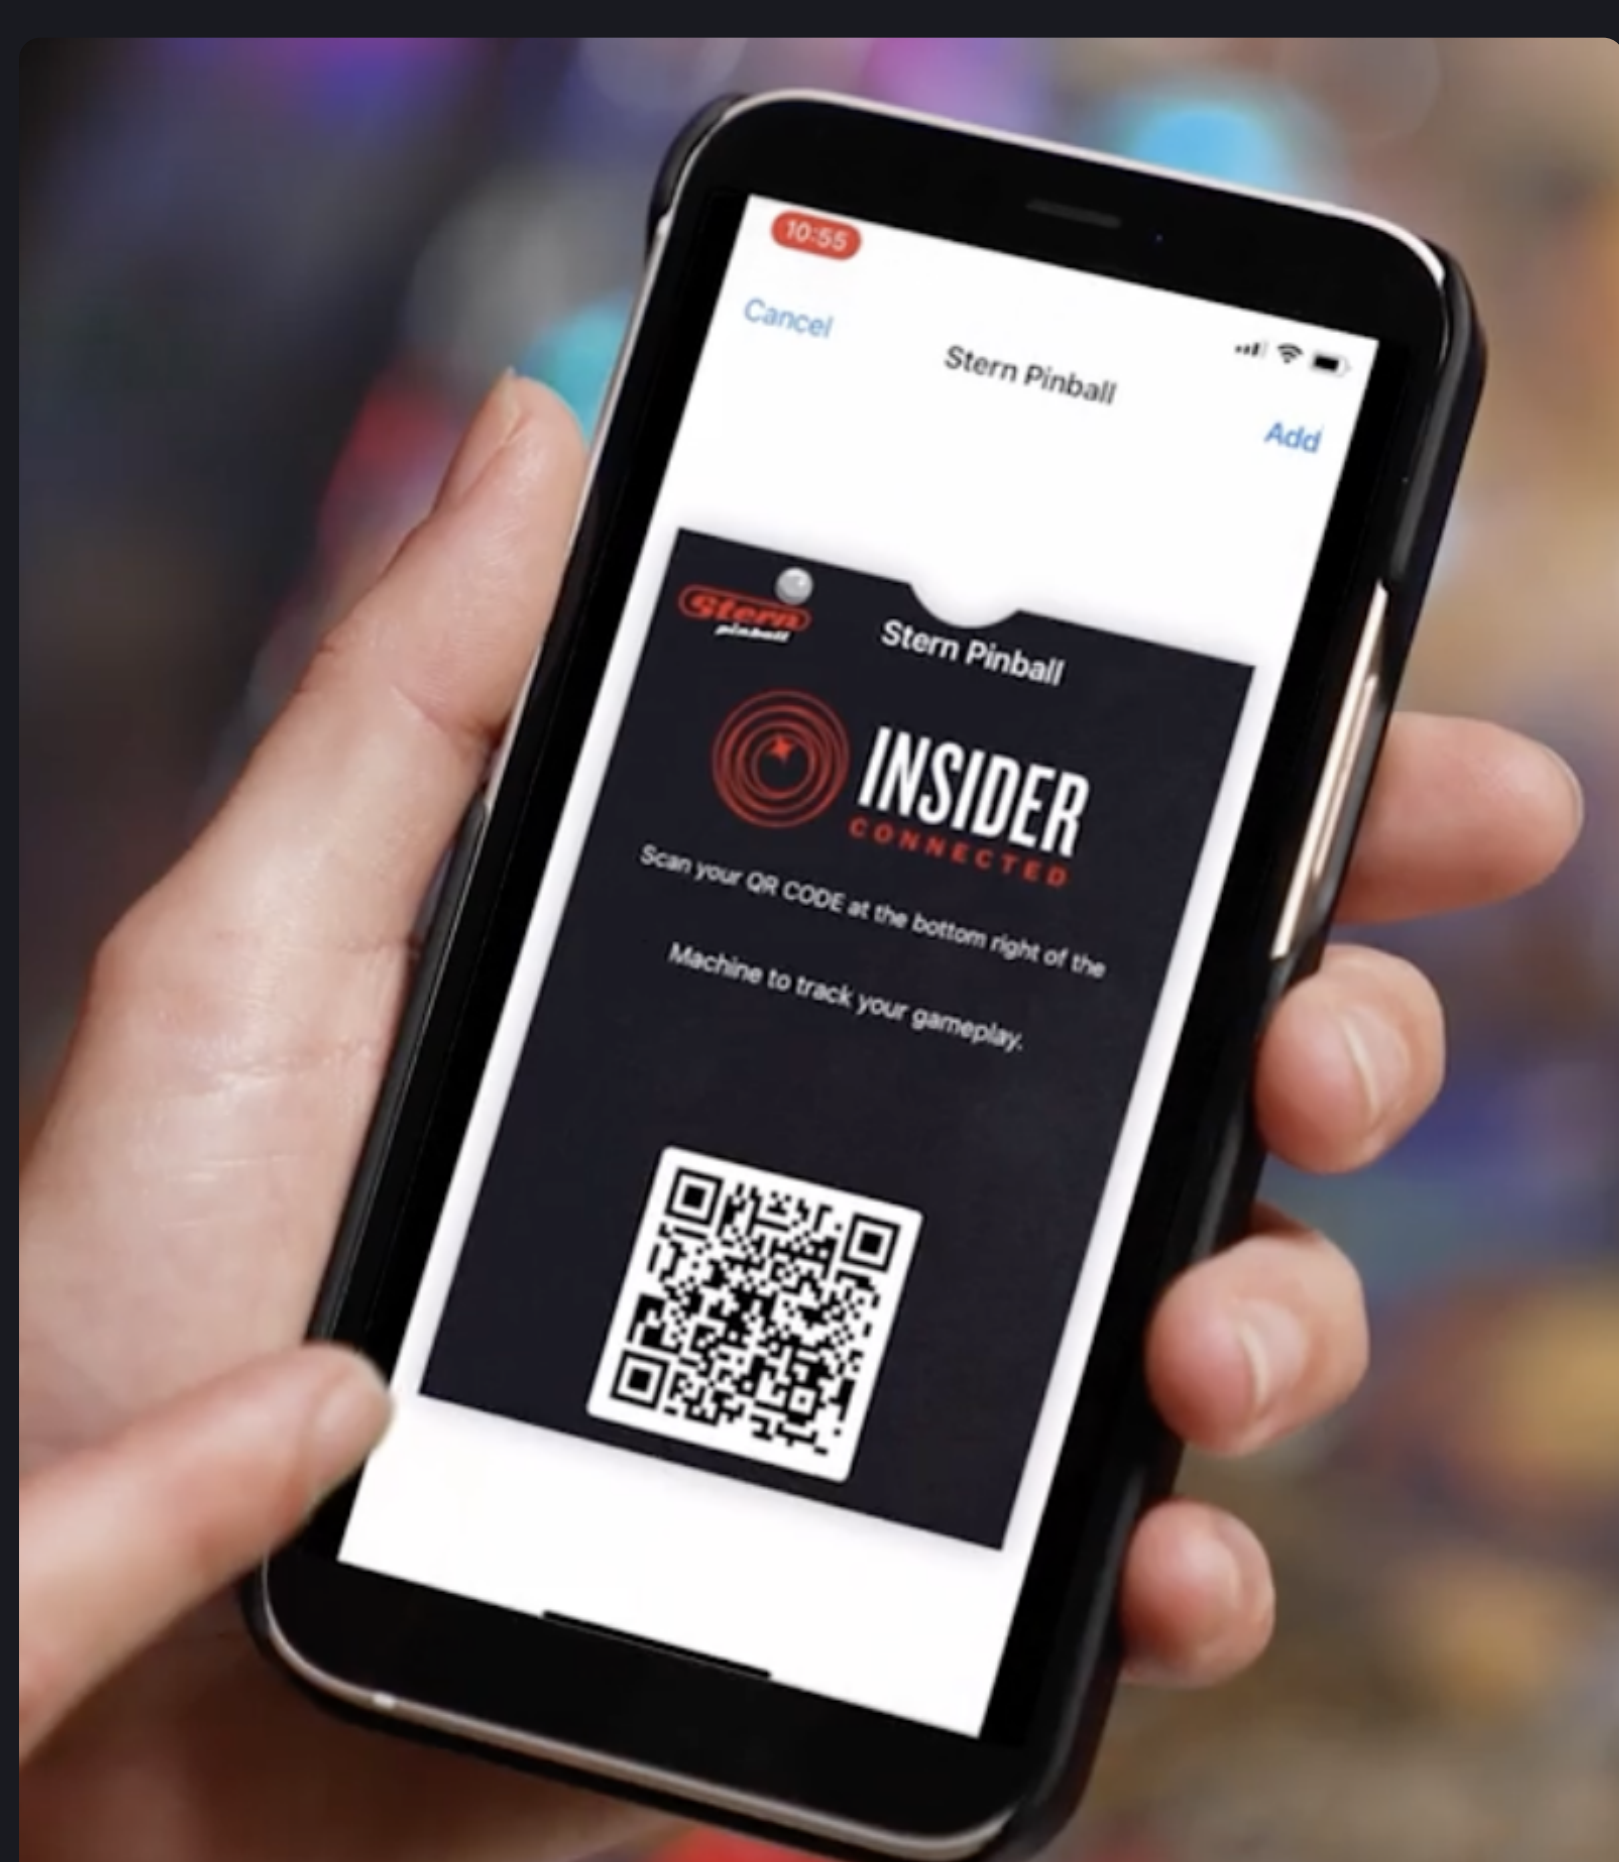

3

**Select the box to add to your mobile wallet.** Directly under your avatar will be an option to add your QR code to your Apple or Google wallet.

4

**Preview your new card and select “add”.**

5

**Enjoy quick and easy access to your Insider Connected QR Code from your mobile wallet.**
